## Nation Notebook

The fifth grade has brought the school year to an end with an amazing trip around the world. Students have been studying countries in the eastern hemisphere and brought all of their studies together to present to the entire school. Each student completed a notebook with various reports, pictures, and maps. Fifth graders gave oral presentations to grades kindergarten through fourth with the help of display boards, items from the countries studied, costumes, and topped off with food samples. The students were amazing with their ability to share information while keeping their audience engaged. Great Job Fifth Grade!

# Field Day & Spring Program Highlights

Thank you to all who helped make Field Day 2017 a great success! We had a fun morning competing in different events at the track and Mrs. Davis and Mrs. Gillen's Red Team was victorious in our afternoon events at the school. While I was very sticky at the end of the Human Sundae and water bath, it was well worth it!

-Mr. McKee, Elementary PE Teacher

The RED TEAM received FIRST PLACE!!  
Great Job Team!!
